In general, we encourage potentially affected individuals to remain vigilant against incidents of identity theft and fraud by regularly reviewing credit reports, account statements, and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, individuals are entitled to one free credit report annually from each of the three major credit reporting bureaus: TransUnion, Experian, and Equifax. To order a free credit report, visit www.annualcreditreport.com or call 1-877-322-8228.

Individuals have the right to place an initial or extended fraud alert on a credit file at no cost. If individuals are a victim of identity theft, they are entitled to an extended fraud alert lasting seven years. As an alternative to a fraud alert, they have the right to place a credit freeze on a credit report. The credit freeze is designed to prevent credit, loans, and services from being approved without consent. According to federal law, individuals cannot be charged to place or lift a credit freeze on their credit report.

To place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
